### **COVID-19 ARPA PA Grant**

The borough expects to find out in November whether we have been awarded the grant. The grant will replace and install new stormwater controls on Red Lion Avenue in the borough.

---

### **CDBG Grant**

The borough is awaiting the permits from Penn Dot in order to proceed. The grant will pay for the installation of handicap accessible ramps all along Main Street and at the corner of High Street and Main Street.

### **Multi Modal Grant**

The borough still awaits an executed signed agreement with Penn Dot in order to move forward to bidding and construction. Due to being so late in the year, the borough hopes to install the stormwater controls this year and complete the paving portion of the project in the spring. This project will be reclamation and paving of Water Street from the Beaver Street Bridge to Main Street and Moore Lane from Water Street to Church Avenue.
